Active Learning in the Adult Education Classroom
Montgomery College
Spring 2014 7th Annual Professional Development Conference

As we review active learning strategies, code the list below according to how they could be used in your courses and discipline.

Key:
Y=I can use this currently
M=I might use this strategy
L=I can use this at a later date
N=Not sure how I could use this strategy

_____ 1. Immediate feedback (finger signals and flash cards)

_____ 2. Joke of the day
